5 6 6 9 6 9 6 6 5 10 5 5

This will start you off. Once you feel secure with it, try varying the strumming. Measures 3 and 4 are not on the tape but are adapted from what I remember of a recording Aman did of this piece.

If you want to play this for women singers, you will have to retune to AA-DD and play it lower on the fretboard.

No credits. From *Narodni Pesni i Instrumentalni Melodii ot Različni Folklorni Oblast Na Yužan Bŭlgarija*—Balkanton BHA 214 (LP)

Presented by David Bilides for Mendocino Balkan Music and Dance Workshop beginning tambura class, June 2004.
